No One Measures Up... Worldwide

LT-160™

True Laser Measurer

Fast, Easy, & Accurate Distance Measuring

True laser light for the
MOST ACCURATE measuring

Up to 1/16"
Accuracy

200'
Range

IDEAL FOR:

- Appraisers
- Carpenters
- Plumbers
- Technicians
- Floor & Tile Layers
- Painters

Impact Resistant Housing
with Ergonomic Rubber Grip

Compact and Light Weight
2" x 4-12" (50mm x 110mm)

MULTI-FUNCTION

Calculate Area m^2/ft^2

Calculate Volume m^3/ft^3

Indirect Measurement
(Pythagoras Method)

3 Line Illuminated LCD
with Large Graphical Display

Feet/ Tenths/ Inch/ Metric

Reference of
Measurement

Addition/ Subtraction

Historical Memory
Recall the last 10 Values

Timer
Automatic Measure
Countdown

Metal Endpiece
Professional Stop Bracket — easily measures
an edge or corner

Technical Specifications

Laser Output: 635nm, Class II

Accuracy: Up to $\pm 1/16$ -in
(± 1.5 mm)

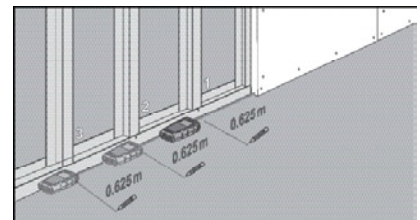

Range: 200-ft. (60m)

Features:

- 3 Line Illuminated LCD Display
- Feet/ Tenths/ Inch/ Metric Readings
- Calculate Area/ Volume
- Stake Out Function
- Min/Max Distance Tracking
- Timed Readings
- Historical Memory - 10 inputs
- Accurate 3-Line Pythagoras
- Audible Measurement Indicator

Power: 2 "AAA" batteries

Warranty: Two Years

Stake Out a specified distance

58-LT160 True Laser Measurer

Includes: Batteries, Pouch, and User's Manual
