

DIGIROLLER™ PLUS II Digital Measuring Wheel

Contractors • Estimators • Engineers • Landscapers • Paving Contractors
Pipeline Builders • Fencing Specialists • Real Estate Agents/Brokers/Developers
Utility Personnel • Surveyors • Police Work • Facility Engineers
Telecommunications & Cable System Contractors

- Saves time, cuts labor...one-person operation
- Versatile...works in all types of dimensional units: Feet-inches, decimal feet, decimal inches, yards, meters and acres
- Step-saving automated features...Memory for measurement storage and calculations, wheel radius compensation for wall-to-wall accuracy, back-lighted display for dawn-to-dusk use, built-in counter for auto or manual use, ...PLUS MORE!

Large control panel LCD provides an easy-to-read display

Model
6425

Get fast, accurate measurements for all your on-site linear, area and volume estimates. No more tapes to pull or costly lasers to buy. *DigiRoller Plus II* is the perfect tool for any pro who needs fast, affordable one-person measurements, indoors or out.

Step-saving functions allow you to calculate and store intermediate and total lengths, find square areas, cubic volumes and more for up to nine different areas. And, the unique data storage capability of *DigiRoller Plus II* helps reduce field notes and costly miscalculation errors.

■ Calculates and Stores Linear and Area Measurements

Just roll and label the distances as "length" or "width" to find area, or store and recall later.

■ Works In and Stores Multiple Units of Measurement

Displays measurements in feet-inches, decimal feet, inches, yards, meters and acres.

■ Built-in User Memory (M+)

For accumulating counts or measurements (linear, square or cubic).

■ Large, Easy-to-Read LCD

Displays measurements to 999,999.9 feet (or meters, yards, inches) with full display spell-outs and built-in LCD contrast control.

■ Includes Wheel Radius

For true wall-to-wall measuring.

■ AutoCount Feature

Counts preset distance increments, or use push-button counter for totaling of items (i.e., parking spaces, lights, posts, etc.).

■ Stores L, W, H, Area and Cubic Volume Values

For up to 9 separate locations, helps eliminate error-prone field notes.

■ Start/Stop Key Prevents Accidental Measurements

■ Calculates Cubic Volumes

From rolled length, width and height.

■ LCD Display Backlight

For use at dusk or dawn and inside dark or unlit areas.

■ Wall-Area Function

Provides you with automatic wall, surface area calculations.

■ New! Kickstand for added convenience and versatility

Folds out of the way when not needed.

DIGIROLLER™ PLUS II

Digital Measuring Wheel

The premier electronic one-person measuring wheel that can be used inside or outside for fast, accurate, on-site linear, area and volume measurements for construction, surveying, real estate and insurance professionals — the perfect tool for estimators!

DigiRoller Plus Specifications

LENGTH (EXTENDED):	45 inches (1143mm) with wheel
LENGTH (CONTRACTED):	29 inches (737mm) with wheel
WEIGHT:	3 lbs. (1.36kg) with wheel
POWER:	Four AAA Duracell® Batteries. Battery Life: Use 400+ hours; Storage 2+ years
MEASURING RANGE:	0 to 999,999.9 feet/yards/meters
MAXIMUM SPEED:	8 mph (13 Km/h)
WHEEL COMPOSITION:	High-impact plastic, TPE rubber tire
WHEEL SIZE:	One meter (39-3/8") circumference — 12-9/16" (.319 meter) diameter
WHEEL ACCURACY:	99.9%
DISPLAY:	7 Digit LCD with Full Annunciators (999,999.9)
ACCURACY:	10 Digits Internal Math Accuracy; 99.5% Measuring Accuracy
OPERATING TEMPERATURE:	14°F to 140°F (-10°C to 60°C)
INCLUDED WITH THE DIGIROLLER PLUS:	Easy-to-Understand User's Guide and Long-life Batteries
ONE-YEAR WARRANTY:	All Calculated Industries calculators and electronic tools are covered by a Full One-Year Limited Warranty against defects in materials and workmanship. The full text of each warranty is published in the documentation accompanying each product and at www.calculated.com . Calculated Industries reserves the right to make changes in the materials and specifications of products without notice.

Unlike mechanical measuring wheels, the DigiRoller Plus has no gears to wear out — and, it comes loaded with many “Smart” features that will save you time and effort.
